I'm out of pocket next week and totally off the grid through the 23. If you and Marcia want to meet with her next week you can bring me up to speed when I'm back or wait until after the 24 to schedule something.

I tried to condense this, but I couldn't figure out how to really cut it down. I cleaned it up and added some details.

Some formatting issues because I was cutting and pasting from several formats, but the substance is here, I hope. Ginny knows the holes if I missed something.

Needs a summary. Ran out of time. Ex. 6 Personal Privacy (PP) Relying on you guys to bring this home, but you all have my cell if you need to clarify anything I can try to be available.
